No. 2950. — CONVENTION ² BETWEEN AUSTRIA AND THE KINGDOM OF THE SERBS, CROATS AND SLOVENES, REGARDING SUPPLEMENTARY INSURANCE ORGANISATIONS FOR EMPLOYEES' PENSIONS. SIGNED AT VIENNA, JANUARY 17, 1925.

French official text communicated by the Permanent Delegate of the Kingdom of Yugoslavia accredited to the League of Nations. The registration of this Convention took place May 2, 1932.

THE KINGDOM OF THE SERBS, CROATS AND SLOVENES and THE REPUBLIC OF AUSTRIA, being desirous of concluding, in execution of Article 275 of the Treaty of Saint-Germain, a Convention concerning supplementary insurance organisations for employees' pensions which, being established in Austrian territory before the dismemberment of the former Austrian Empire, were also operating in the territory of the Kingdom of the Serbs, Croats and Slovenes, have appointed as their Plenipotentiaries :

HIS MAJESTY THE KING OF THE SERBS, CROATS AND SLOVENES :

M. Radovan MATJAŠIĆ, Former Head of Section at the Ministry of Social Insurance ;

THE FEDERAL PRESIDENT OF THE REPUBLIC OF AUSTRIA :

M. Guillaume THAA, Former Head of Section at the Federal Ministry for Social Administration,

Who, having deposited their full powers, found in good and due form, have agreed upon the following Articles :

Article I.

The insurance liabilities and the funds of the supplementary insurance organisations for employees' pensions (*Ersatzinstitute der Pensionsversicherung von Angestellten*) established under paragraph 65 of the Austrian Law of December 16, 1906, Imperial Law Gazette No. 1, ex 1907, as amended by the Imperial Decree of June 25, 1914, Imperial Law Gazette No. 138, which establishments had their seat in Austrian territory on December 31, 1918, and were also operating before the dismemberment of the former Austrian Empire in the territory of the Kingdom of the Serbs, Croats and Slovenes, shall be distributed according to the following principles :

A. DISTRIBUTION OF INSURANCE LIABILITIES.

1. Liabilities existing at the end of December 1918, that is to say, claims to pensions or contingent pension benefits acquired by the insured members of supplementary insurance

Came into force, March 29, 1932.

organisations and the members of their families, shall be transferred to the competence of the State in whose territory the insured persons had their last place of employment which decides the competence of pensions insurance organisations, provided that a share in the funds of the organisation concerned is granted to that State under Annex I of the present Convention. The same principle shall apply to pending repayments of premiums as announced in the balance-sheet of the said supplementary insurance organisation for the end of the year 1918, and to repayments of premiums subsequently claimed in virtue of an insurance which fell due not later than the end of the year 1918.

Insured persons shall be considered to include not only the members of supplementary insurance organisations who are compelled to be insured, but also the other members of the above-mentioned organisations.

The liabilities existing at the end of December 1918, and relating to insured persons and pensioners whose last place of employment determining the competence of pensions insurance organisations was situated outside the boundaries of the former Austrian Empire or in the territory of a State to which no share in the funds of the organisation concerned is allocated under Annex I of the present Convention, shall be transferred to the competence of the country receiving the largest share of the funds of the supplementary organisation concerned. Nevertheless, the insurance liabilities of the Pensions Fund of the firm of Heinrich Franck and Sons at Linz, concerning employees of the branch at Zagreb, shall be transferred to the competence of the Kingdom of the Serbs, Croats and Slovenes.

2. It shall rest with the internal regulations of the State concerned to prescribe the office which shall accept the insurance liabilities transferred to the competence of that country and the manner of their acceptance.

3. If any supplementary insurance organisation continued its operations in the territory of the Kingdom of the Serbs, Croats and Slovenes after December 31, 1918, these continued activities shall be regarded as a fiduciary insurance effected on behalf of the office competent under No. 2.

The fiduciary insurance shall be regulated on the basis of the interest on the current account actually received, that is to say, contributions and payments in Austro-Hungarian currency shall be settled in Austrian crowns, and other contributions and payments in the currency in which they were made. Five per cent of the receipts resulting from fiduciary insurance shall be due to the general supplementary insurance organisations only, as repayment of the costs of administration.

4. The Republic of Austria shall ensure that the supplementary insurance organisations hand over to the offices competent under No. 2, whenever circumstances permit, all files and accessory documents relating to the insurance liabilities to be taken over by these offices in accordance with the foregoing provisions. Should this be impossible for the reason that particular files affect several insurance organisations, those concerned shall have the right for ten years to examine and take copies of them at the seat of the insurance organisation for employees' pensions (*Pensionsanstalt für Angestellte*) at Vienna. The High Contracting Parties shall further ensure that all information relating to the execution of this Convention is furnished by the offices concerned, and they agree that correspondence on this matter shall be exchanged direct between the respective offices, without recourse to the diplomatic or consular authorities.

B. DISTRIBUTION OF FUNDS.

1. The funds of the supplementary insurance organisations (assets and liabilities) shall be distributed as they existed on December 31, 1918, pledged debts arising out of subscription to war loan bonds being separated from the funds to be distributed and being assigned in their entirety to the Republic of Austria alone. The income from the funds as existing at the date fixed actually due up to the end of March 1924 shall be distributed, subject to a deduction of 10 % for costs of administration. If it should be impossible to fix the amount of such income, 1 % per month

shall be placed to the account of income. As regards the cash balance resulting at the date March 21, 1924, according to the foregoing provisions, 1 % per month shall be paid as interest up to the time of the actual payment of the cash balance.

2. Each of the States concerned shall be entitled to a share in the funds corresponding to the proportion which its share of insurance liabilities according to Section A, No. 1 bears to the total insurance liabilities existing on December 31, 1918. If no technical balance sheet has been prepared, the funds shall be distributed in proportion to the number of insured persons allocated to each State compared with the total number of insured persons; in this case, an insured person in receipt of a pension shall be regarded as two insured persons, a widow in receipt of a pension shall be regarded as one and a half insured persons, and a child pensioner as half an insured person.

3. Debts guaranteed by immovable property, and other debts, apart from those based on securities, shall be handed over to the State in whose territory the debtor has his domicile (seat). Debts that have been liquidated shall be replaced by the cash received. Any claims arising out of the liquidation in Austrian or Austro-Hungarian crowns of such debts subsequent to the separation of the funds shall be assigned to the State to which the cash balance falls. The debts (or the cash in lieu thereof) shall be reckoned as part of the share accruing to that State in accordance with No. 2, at their nominal value in crowns.

4. Securities sold after the appointed date shall be replaced by the yield. Securities allotted and paid between the appointed date and the date of the signature of the present Convention shall be replaced by the yield from the allotment.

Securities, the drawing of which shall already have been officially published in Austria at the time of the signing of the present Convention but which shall not have been repaid at that date, shall be divided proportionately and in kind, on account of the share of that particular kind of security allocated to each State under Article I, Section B., No. 2; any indivisible remainder left over from these drawn but unpaid securities shall accrue to the State in whose territory the office of issue is situated.

For the rest, the securities shall be distributed in the arithmetical order of their numbering between the States in the following order: Republic of Austria, Kingdom of Italy, Republic of Poland, Kingdom of Roumania, Kingdom of the Serbs, Croats and Slovenes, Czechoslovak Republic. Indivisible remainders shall be adjusted in Austrian crowns on the basis of the estimated values on the Vienna Stock Exchange on December 31, 1923.

5. In order to adjust the proportionate shares in the premises of the supplementary organisations mentioned below, the Republic of Austria shall pay the following amounts out of the funds of the supplementary organisations which maintain the premises:

(a) In respect of the offices of the Pensions Organisation of the General Deposit Bank (*Allgemeine Depositenbank*) at No. 4, Teinfaltstrasse, Vienna I, and at No. 7, Herrengasse and No. 8 Prokopigasse, Graz:

To the Czechoslovak Republic	11,250,000 crowns
To the Kingdom of Italy	26,470,000 crowns
To the Republic of Poland	129,042,000 crowns
To the Kingdom of Roumania	22,500,000 crowns

(b) In respect of the office of the Pensions Fund for Employees of the Joint Stock Company for the Manufacture of Carpets and Furniture Coverings (late Philippe Haas and Sons) of No. 5, Stumpergasse, Vienna VI:

To the Czechoslovak Republic	44,800,000 crowns
To the Republic of Poland	20,580,000 crowns

Should the office be sold before the funds are distributed for a sum exceeding 700,000,000 crowns, the Republic of Austria shall hand over proportionate shares of the yield in excess of that sum.

(c) In respect of the workmen's dwellings at Strassgang, near Graz, belonging to the Pensions Organisation for Employees of the First Graz Joint Stock Brewery (late Franz Schreiner and Sons) and the unbuilt land belonging to this Organisation there situated :

To the Kingdom of Italy	1,696,000 crowns
To the Kingdom of the Serbs, Croats and Slovenes	1,500,000 crowns

Further, the Czechoslovak Republic shall receive a proportionate share of the yield from the sale at the end of 1920 of the workmen's dwellings belonging to the Pensions Organisation of the Austrian Alpine Mining Association at Donawitz in the district of Loeben.

6. The share in the funds of the supplementary organisations allocated in virtue of the foregoing provisions and shown in Annexes I to IV, which shall constitute an integral part of the present Convention, shall, within three months of the ratification of this Convention, be transferred to the Legation of the Kingdom of the Serbs, Croats and Slovenes at Vienna or to an office in Vienna to be selected by that Legation. The Republic of Austria shall hand over the war loan bonds inscribed "*von der Republik Österreich nicht übernommen*", and the other securities without any inscription upon them ; it shall ensure that the lists of numbers submitted to the Reparation Commission are correct and shall grant permission to export these securities free of charge.

7. The transfer to the office competent under Section A, No. 2 of the funds allocated to each country shall be subject to the internal regulations of the country concerned.

8. Each of the Contracting Parties shall abstain from collecting any stamp and other duties which might become leviable in its territory, at the time of the execution of this Convention.

Article II.

After the execution of the present Convention by the Republic of Austria, the Kingdom of the Serbs, Croats and Slovenes shall make no further claim on Austria under Article 275 of the Treaty of Saint-Germain concerning the supplementary insurance organisations. The State concerned shall only be obliged to employ the funds it receives under the foregoing provisions for each organisation in conformity with Article 275, paragraph 2, of the Treaty of Saint-Germain.

Article III.

The present Convention shall be ratified as soon as possible and shall enter into force fourteen days after the date of the exchange of the instruments of ratification at Vienna.

Done at Vienna, the seventeenth day of January, one thousand nine hundred and twenty-five, in two copies, of which one shall be transmitted to each of the High Contracting Parties.

For the Kingdom of the Serbs, Croats and Slovenes :

For the Republic of Austria :
